Practice Policies

Thank you for giving Dr. Young and Advanced Cosmetic Surgery the opportunity to work with you as you reach your aesthetic goals. Dr. Young and his staff are committed to exceeding your expectations and look forward to creating a personalized plan for you, addressing your specific questions and concerns.

Your initial consultation is complimentary and a personal procedure quote will be prepared for you that day. This quote will include fees for the surgery center, anesthesia, Dr. Young's fee and all post operative follow up appointments. Any 2nd consultations will incur a **\$50 office fee**, applied at check-in. The Surgery Centers control their own fee schedules and may increase their fees at any time. Any prescription medication, labs, x-rays, or pathology samples are not included in our quote.

Payment for surgery deposits or balance may be made by cash, check, cashier check, money order or all major credit cards. We also offer patients affordable financing options through, Care Credit and Prosper. Payments for non-surgical treatments such as Botox, Juvederm or fillers, are made at the time of service. Advanced Cosmetic Surgery **does not accept any medical insurance**. In the event a sample is sent to pathology, your insurance provider would bill you for that service.

Should you pay for your procedure with a credit card and then for any reason need a refund, the refund credit will reflect a **5% processing fee** which is charged to our office by credit card companies for the initial transaction. Our office requires a **20% non-refundable deposit** to reserve and guarantee your surgery date. In the event you need to reschedule your surgery date, we require a **minimum of 30 days** and would allow you to reschedule within 90 days of the cancelled date. Full payment is required before the rescheduled date will be secured. If you do not reschedule within 90 days, your deposit is **forfeited**. If a check is returned due to insufficient funds, the patient will be responsible for the amount of the check plus a \$35 processing fee. Our office reserves the right to increase the processing fee pending bank charges.

We encourage you to contact us with any questions or concerns regarding our policies prior to scheduling any procedure.
